

2020-2021 Voluntary Distance Learning

In light of the ongoing COVID-19 pandemic, the Morristown Beard School ("School") is permitting students and families to select whether the student will return to the school's facility for in-person learning or continue to participate exclusively in the School's distance learning program for the 2020-2021 academic year. By signing this agreement, the Undersigned agrees that the student and student's parent/guardian has voluntarily chosen for the student to participate exclusively in a distance learning program for the first semester. If you would like your child to return to school prior to the end of the first semester, please contact his/her division head to arrange this.

The student and parent/guardian understand and agree that all terms of the 2020-2021 Enrollment Agreement shall remain in full force and effect. If any term set forth in the 2020-2021 Enrollment Agreements conflicts with the terms herein, this Agreement shall control.

The student and parent/guardian understand and agree each will be required to comply with all School policies and procedures pertaining to academics including academic integrity, class attendance, assignments, homework, testing, absences, distance learning, extra-curricular activities, and student conduct, as well as all other policies found in the family handbook and issued by the School.

The student and parent/guardian understand that the option to participate in a distance learning program is being offered under the School's policy and pursuant to the laws, orders and guidelines issued by the State of New Jersey and local health authorities. If at any time during the 2020-2021 academic year, the State of New Jersey requires all students to attend in-person classes, the School may terminate this Agreement and require the student to attend live classes.
